To Whom It May Concern,

This letter is intended to serve as a reference for Jonathon Papsin of Colorado and Company Real Estate. I am the owner of a small real estate portfolio comprised of condo rentals in downtown Denver. As a busy investor and executive who spends extensive time overseas, I needed assistance and guidance in leasing my properties. After meeting Jonathon, I developed a strong trust in his work and his word.

Jonathon streamlined the entire leasing process for me. He helped educate me about the comparable rental properties listed in the area, priced my condos competitively and advised me on modifications and upgrades as needed. Jonathon also produced outstanding results by bringing me excellent tenants and handling all the time consuming paperwork via electronic signatures – a cinch for someone operating overseas!

It is without hesitation that I recommend Jonathon as a competent and professional Real Estate Broker for any of your leasing needs. I will no doubt turn to Jonathon to lease my next investment property!

If you have any questions, please feel free to contact me!

Kind regards,
